

Members of the Capital Region Climate Readiness Collaborative (CRC) receive a multitude of benefits in support of their own agency or organization's initiatives, as well as to accelerate climate change mitigation and adaptation efforts throughout our region.

In an effort to make these benefits more accessible, CRC staff are working to create standardized processes and systems that leverage online platforms. In the meantime, please reach out to Grace Kaufman at gkaufman@lgc.org for any of the following services that CRC can provide to its members.
