

CAPITAL REGION CLIMATE READINESS COLLABORATIVE

2025 IMPACT REPORT

Our Guiding Principles

***Prioritize Investments
and Projects in Frontline
Communities***

***Strengthen Regional
Capacity through Cross-
Sector Collaboration***

***Protect and Restore
Natural Systems***

March 17th

Building Regional Resilience: How Wildfires Impact the Environment, Public Health, and the Economy

The joint in-person workshop with the Cleaner Air Partnership focused on the environmental, public health, and economic impacts of wildfires in the Capital Region.

June 24th

Breaking Down Silos: Emergency Preparedness and Climate Action Planning

The in-person workshop focused on breaking down silos between emergency preparedness and climate action planning.

November 5th

Biomass & Beyond: Growing a Resilient Regional Bioeconomy

The joint in-person workshop with Placer County Water Agency, Placer County Air Pollution Control District, the Cleaner Air Partnership, and We Prosper Together presented on biomass utilization in the region, challenges with upscaling biomass solutions, and opportunities for local and regional collaboration.

December 11th

2025 Annual Members Forum

CRC Members are brought together in-person for presentations and group discussions on the state of climate adaptation in the Capital Region, opportunities for collaboration and synergy across sectors and jurisdictions, and how CRC can support members and future opportunities to bring additional capacity to the region.

Delta Stewardship Council adopts Climate Adaptation Plan and releases Farming the Delta Resource

Color the Block joins the Capital Region Climate Readiness Collaborative

Sacramento Area Bicycle Advocates joins the Capital Region Climate Readiness Collaborative

The Capital Region Climate Readiness Collaborative (CRC) is a multidisciplinary network of local and regional agencies, organizations, businesses and associations working together to advance climate mitigation and adaptation efforts in their own communities and throughout California's Capital Region.

CRC is a coalition program of Valley Vision and a member of the Alliance of Regional Collaboratives for Climate Adaptation (ARCCA).
